
Interesting Windley Genealogy Link

Posted by windleyadmin - 2006/02/09 09:02

This post was found in a genealogy forum and managed to make a number of connections across the globe.

<http://genforum.genealogy.com/windley/messages/96.html>

An interesting start, and there are a few more like it. With a site like this (which will be dedicated to this family name) we should be able to build a much clearer picture.
