Hi All,

Glad to find your website. I descend from the Windleys from the eastern/coastal part of North Carolina mainly in the counties of Beaufort, Craven, Hyde and Pitt. I will post more information later.

Best Regards,

David French

Hi David,

Glad to have you onboard.? Yeah it can be tough being a Windley, we need to know that there are lots of us around? :)...not too many to scare em all away though? :D

There will be more updates coming soon to the site and we would very much welcome your input.

Look forward to hearing from you soon.

Nic Windley

Just a quick note to say that Nicole got in touch, after doing some family research and stumbling across our family site.

Hopefully she will be able to post some details, but I do know that it links nicely to North Carolina.
