I am a descendent of Windley, on my fathers mothers side (paternal grandmother) who lived in Telford, but was from Rugby. Looking to expand on my family knowledge, which is minimal. Please contact me to discuss. I live in the US currently.

Hi Scott,

Thanks for posting on our forum and good luck with your Windley research.
I think many of us are a little in the dark about our past (maybe for good reasons :cheer:)

All the best

Nic Windley.
