It looks like 2 years since you were here. If you are still lurking then I have a question about the Abraham Windley info. My Great Grandmother was Margaret Pearce who married Abraham. She was born in 1870 - means she was 30 years older than the Abe in your info. I thought the marriage was to Abe senior. I don't have a marriage certificate but can get someone to check. I am ex QLD living in UK but can maybe get someone to do a lookup for me.
