
Lost uncle

Does anyone know the whereabouts of Gordon Windley, originally of Grimsby, Lincs., born c. 1921. An engineer by profession. I lost track of him roughly 20 years ago. My cousin living in Bedford likewise hasn't heard from in years. Living or dead?

Hi Brian,

Just a quick note to welcome you to the Forum.
Another Windley member may be able to help you shed some light on this one, unfortunately I am unable to.
